### INTRODUCTION

The Church Council of Emmanuel Lutheran Church has established February 1<sup>st</sup> as the beginning of the enrollment process for Emmanuel Lutheran School. **REAPPLICATIONS WILL BE GIVEN PRIORITY UNTIL MARCH 1<sup>ST</sup>**. New applications will be processed on a first come first served basis. The acceptance of all students at Emmanuel is contingent upon an understanding of the policies established by the Leadership of Emmanuel Lutheran Church by both the student and the student's parents.

Emmanuel Lutheran School was established for the purpose of furnishing students with a complete Christ-centered education in kindergarten and grades one through eight. In addition to the essential spiritual training, Emmanuel Lutheran School maintains academic standards, which meet or exceed the requirements of the State. Emmanuel Lutheran School has been awarded the Certificate of Approval from the Maryland State Department of Education.

This approval is awarded after examination of the curriculum, staff, the building and the courses of study. To maintain this certification, Emmanuel is required to submit an annual report to the Maryland State Department of Education.

Emmanuel Lutheran School admits students of any race, color, national and ethnic origin to all of the rights, privileges, and programs, and activities generally accorded or made available to students of the school. Emmanuel does not discriminate on the basis of race, color, national and ethnic origin in administration of the educational policies, admission policies, financial aid, athletic and other school-administered programs and employment practices.

In addition, Emmanuel Lutheran School believes that education opportunities and programs should be open to males and females on an equal basis. We therefore, do not discriminate on the basis of gender in administration of educational policies, admission policies, financial aid, athletic and other school-administered programs, and employment practices.

## **ORGANIZATION FOR CHRISTIAN LEARNING**

Emmanuel Lutheran School is supported by Emmanuel Lutheran Church as a part of the teaching function of the church. This school intends to be an essential part of a team consisting of the home, the school, the church, and the Sunday School. Only if each of these members does its part to keep Christ consistently in the center of the child's living and thinking, can the child be assured of a truly complete and balanced educational program.

Emmanuel Lutheran School is not merely a secular school with added periods of religious instruction. All instruction is presented from a Christian viewpoint and in Christian surroundings. Formal religious instruction and devotional periods, including weekly chapel held in the church, and Christian supervision of all school activities, educational and recreational, provide valuable instruction and practice in Christian living.

Emmanuel Lutheran Church also operates a Sunday School, and adult Bible Class program as well as Vacation Bible School. Adult Information Classes are offered as enrichment, and are designed to prepare people for confirmation and membership at Emmanuel.

## **KINDERGARTEN PROGRAM**

The kindergarten class meets from 8:15 AM – 3:00 PM.

## **SECTION II**

### **COMMITMENT OF EMMANUEL LUTHERAN SCHOOL**

The school was established by Emmanuel Lutheran Church to fulfill its teaching mission. Every Christian father and mother is aware of the duty of keeping the children whom they brought to Christ in Baptism close to Christ. The child received his earliest religious instruction from his parents. The child emerges from the home and makes contact with the world about and the challenge of continuing and broadening the impact of Christ's teaching upon the child becomes more and more difficult. This is particularly true today when many schools are forbidden by law to have prayers or Bible readings. To supplement the Christian influence of the home, no better means has been devised than the Christian day school with its continued emphasis on the teachings of Christ and the Christian environment which such a school makes possible. It is, therefore, the purpose of Emmanuel Lutheran School to furnish its children a complete elementary and middle school program keeping GOD always in the center of study and activity. Thus, in this formative period, the child is taught how to strengthen his loyalty to Christ in his increasing contact with the outside influences.
